

Welcome to the Airbus Karting Society

Publié le vendredi 17 août 2012 13:43

All fans of motor sports who want to share their passion for riding karts, quads and monoplace cars are welcome. The Society offers :

- initiation and tickets,
- training and improvement,
- special [tracking app](#),
- an internal annual trophy (10 competitions),
- and participation in amateur and FFSA races.

The Society's Board members and volunteers develop and propose a rich programme of activities offering approximately 50 events for the year. This programme takes into account the requests and suggestions of members, and is open to direct and indirect beneficiaries, adults as well as children ages 8 and up. There are amateur and professional teams, including one for women everyone can share great moments and a team spirit in a convivial atmosphere.

Do not hesitate to send an email to contact.aks@airbus.com to be able to participate to one of the [AKS events to come](#)
