

## ***Welcome to the Football Society***

*Publié le vendredi 23 octobre 2015 00:00*

---

The Airbus Football section was officially created in 1991, however our first football matches go back as far as the mid 70's. We are currently 100 members supported by approximately ten loyal volunteers, whose dedication is valued by all.

Our common aim is to continue enjoying this collective sport in a friendly environment, on and off the field, whatever the result. We also participate in local and international tournaments. The football section offers a variety of activities from September to June. So whether you are looking for a casual indoor or outdoor game with other Airbus Central employees, or weekly matches in a local league, we have just the thing for you ! Bring along your boots and join in the fun !

Annual registration: 15€ for AISA membership, including outdoor + 75€ to take part of regular indoor sessions.

Membership is reserved to Airbus SAS employees, their "ayant-droit" and long term Airbus SAS trainees.
