Badminton is a fun sport accessible to players of all ages and ability. This active sport can not only keep you fit, but it also can improve agility and stamina. It is a major sport in Asia and is very popular in many European countries and it is currently one of the fastest growing sports in France.

The Airbus Badminton Society welcomes players of all levels to a weekly Club Night, where doubles and single matches are played.

We subsidise tickets to play at Smash Club, l'Union for those members wishing to play at other days and times.

This season we have 4 teams playing in the Corporate Regional League.

Why not come and join us on our Club Night for an enjoyable evening.
